EXCEPTIONAL WASHING SOLUTIONS

# UNIKON offers the solution

UNIKON has been supplying **washing and drying** machines worldwide since 1968. Thanks to these years of experience, we understand the **specific needs** of your branche. We develop, manufacture, sell and service industrial washing machines and dryers **worldwide** from our site in Barneveld, the Netherlands.

With a machine from UNIKON you not only clean hygienically but also **environmental** friendly. Our machines use considerably less water, chemicals and energy and are 100% recyclable.

## Basic washing machine

The Basic, the name says it all, is a compact basic machine for quick and efficient cleaning of your crates and particularly suitable when you do not wash many crates. The machine is expandable with an overhead which makes it easy to operate by one person. The Basic is an ideal machine when you need a compact crate washer without compromising on quality. The basic consist, like every UNIKON machine, only A-quality parts and is 100% recyclable.
